

Introducing the new

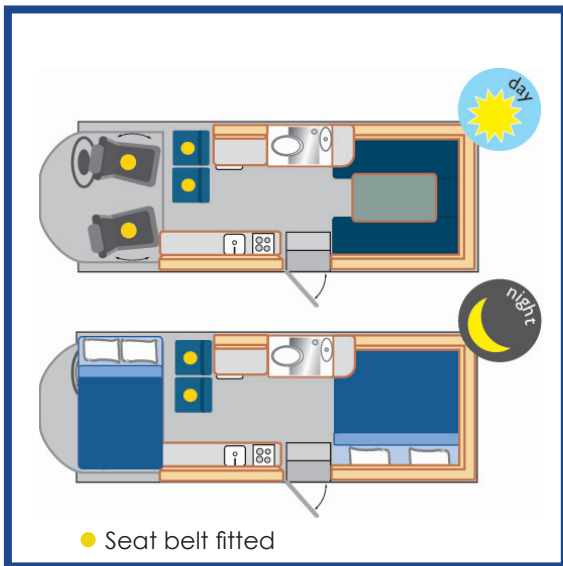

United 4 Premier Motorhome

United Campervans is pleased to introduce the new Mercedes 4 Berth Premier Automatic Motorhome. Its innovative design allows all 4 passengers to sit up front together with 2 purpose made seats positioned behind the driver. These seats do not convert to a bed so are designed for passenger comfort whilst driving. In addition, the front 2 seats swivel to make a lounge / dining area up front. As with all of United's fleet the bed at the rear of the vehicle is a large king

AUTOMATIC TRANSMISSION

Child/baby seats can be fitted to either of the passenger seats located directly behind the driver

For bookings and further information on the United 4 Premier Motorhome and other vehicles in the United fleet, please contact your preferred Travel Agent or visit www.campervan.co.nz
